Koala Labs Expense Policy

Standard policy · Version 1.0 · Effective 1 October 2026

Purpose

Our default policy. Matches the rules the app ships with. This policy sets out what Koala Labs will reimburse. Every expense submitted in Clause is checked automatically against the numbered clauses below, and any flag quotes the clause it breaks.

How to claim

Snap or upload the itemised receipt in Clause within the time limit below, say how many people the expense covered, and tick pre-approval if you have it. Compliant expenses under $100 are approved automatically; everything else goes to your manager.

Meals and entertainment

4.1 Meals are capped at $75 per head.

4.2 Alcohol is not reimbursable unless pre-approved.

Travel

5.1 Flights over $1,000 require pre-approval and must be economy class.

5.2 Flight upgrades require VP sign-off and are not reimbursable otherwise.

Receipts

6.1 Receipts must be dated within 60 days of submission.

Software

7.1 Software subscriptions over $50 a month need Finance pre-approval.

This is a fictional sample policy created for a hackathon demo. Company names are made up.
